

**COVID-19 Protocol:  
Masks & Proof of Vaccination/Negative Test Results Required at The Give Inn**  
Updated April 9, 2022

---

The Give Inn is committed to maintaining the ongoing health & safety of our guests, performers, and staff.

As such, we currently require all audience members, staff, and performers to provide proof of vaccination, or a negative COVID-19 test within 48 hours, in order to attend and participate in our events. Please bring your vaccination card (or a photo of it on your phone) OR a negative COVID-19 test from the last 48 hours, as well as your state-issued ID to check in upon entry. Those without proper documentation will not be admitted.

Thanks for your ongoing cooperation and support and for helping us keep live performance in Ballard!

**VACCINE VERIFICATION**

We will be verifying vaccinations of both our guests and staff.

Acceptable forms of vaccination verification include:

- Vaccination Card
- Proof of vaccination from <https://myirmobile.com/> (either digital or a print out)
- Photo of your vaccination card

We understand that not everyone is eligible/able to receive a vaccination. In that case, we ask our unvaccinated guests to provide proof of a negative COVID-19 test result from the prior 48 hours leading up to the event attended, as well as a state-issued ID upon check-in.

Need to get tested? Find a location near you at  
<https://www.doh.wa.gov/Emergencies/COVID19/TestingforCOVID19>

**MASKING & OTHER SAFETY MEASURES AT THE GIVE INN**

Staff and guests are required to wear a mask unless actively eating or drinking, while performers may choose whether or not to mask during their time on stage. Failure to comply with our mask policy may result in an early dismissal from our performances, so please be courteous and aware. Hand sanitizer will be available for the general public, distributed throughout the venue. We will continue to monitor local, state, and federal mandates regarding capacity limitations.

**CONTRACT TRACING**

Sign up for contact tracing through the WA Notify app on your phone: <https://tinyurl.com/y7fu6ryz>
